

Electric Cordless Pruning Shears

Specification:

EC-11P electric pruning shear has been designed to meet all the requirements of professional pruning.

Company introduction:

Our company was established in 1988, specialized in R&D, retail and design in cutting equipment.

After many years of hard work, we have developed a series of products which includes:

EC-10B Electronic Scissors, EC-6 Multi-purpose Electronics Scissors, EC-7 Electric Pruning Shears, EC-8 Cordless Electric Round Cutter, EC-11P Electric Pruning Shears, E-150PK Swatch Cutting Machine and to name a few.

With excellent qualities, our products have been sold worldwide and have been used widely in cutting fabric, leather, latex, tree branch and numerous materials.

mod. EC-11P

Product Introduction :

The remarkable EC-11 electric pruning shears has been designed to meet all the requirements of professional pruning. It will make your pruning work in garden, viticulture and vineyard a great deal easier. The cutting head has been manufactured to ensure a clean and exact cut and thus speed up the healing of pruning scars.
