Low shank (short shank) fit most universal low shank machines – Singer, Brother, Janome / New Home, Elna, Pfaff, Husqvarna / Viking, White, Toyota, Babylock etc. etc.

CCH-P-LS Couching is a decorative threadwork technique in which yarns, threads or other fibres are laid across the quilt and fastened in place by the machine's quilting thread. The three sizes of couching feet in this kit enable you to couch a wide variety of yarns, ribbons, threads and other fibres to add a special touch to your quilts.
