**Special Household Sewing Machine Needle**

*This needle is developed for use in the Brother PR-600/1000 or Babylock EMP6 and EMP10. It is an industrial grade quality needle with a flat shank, reinforced blade, light ball point and an oversized eye.*

#HAX1LE/EBBR (#HAX130 EBBR)

Size : #11/75, #12/80, #14/90

- \* Larger eye for extra thick embroidery yarn.
- \* Larger scarf for prevention of skipped stitches.
- \* Hard chrome finish      \* Double swaged blade

*This is a special version of the 15x1 (HAX1) for embroidery and decorative stitching. It is made to higher standard for smoother sewing. The oversized eye is designed to reduce the stress and tension on delicate embroidery thread. It also accommodates metallic threads and make needle threading easier.*
