

World Premier Ski Feet - Slide Likes Ski !!  
Anti-Puckering Ski Feet

Patented & Made in Japan

**NEW IMPROVED SPRING - Flexible and can be used for bumps.**

### Features:

- \*The ski foot acts as "shock-absorber" thus preventing puckering and allowing for a clean and beautiful stitch at all times.
- \*The ski foot is NOT suitable for thick materials like denim jeans.
- \*Adjust the presser foot spring to "low" and use sewing speed not over 3,000 rpm.

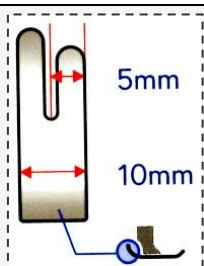

**NEW SEE-THRU BOTTOM WITH TEFLON SHEET.**
