

## Roff-Off Roller Cradle

This cradle uses free running rollers mounted on bearings to hold cloth rolls with broken core or without core up to 150cm (5-ft) wide for off-rolling purposes. Ideal for customers who like to lay out cloth onto a long table and cut. This cradle is for cloth roll dia. up to 27cm (11").

Larger cradles for cloth rolls 40cm dia. (item No. **CR-004**) and for cloth rolls 50cm dia. (item No. **CR-005**) also available on request.

Item No. **CR-003A** standard-one "closed" end & the other end is "open"

Item No. **CR-003B** both ends are "open" to hold cloth roll up to 7'(210cm)

- No. **CR-003/1** 1ft.(30cm) wide
- CR-003/2** 2 ft. (60cm) wide
- CR-003/3** 3ft. (90cm) wide
- CR-003/4** 4ft. (120cm) wide

Can be connected together to hold wider roll up to 6ft.,7ft.,8ft.,9ft., and 10 ft.

Item No. **CR-003AS** or **CR-003BS** Height : 85cm

Roller cradle complete with stand + wheels  
Simply place the cloth roll into the cradle and then position at the end of a laying up table and pull the cloth onto the table top. The wheels make it very portable. Suitable for table 83cm high.  
Higher stand is also available upon request.

## Stainless Steel Cloth Clamps

# **CL12S**  
6cm wide & 5cm opening

# **CL80S**  
12cm wide & 8cm opening

# **CL70S**  
12cm wide & 7cm opening  
w/floating jaw

## Adjustable

- CL4AA-ST** 4" (10cm)
- CL6AA-ST** 6" (15cm)
- CL8AA-ST** 8" (20cm)
- CL10AA-ST** 10" (25cm)
